Product description

Stackable plastic jerry can with a capacity of 5 liters and provided with a UN quality mark. Made from the highest possible quality HDPE plastic. The cams at the top make it easy to stack the jerry cans. The jerry can is natural in color and translucent so that you can see how much liquid is left in the jerry can. Supplied with screw cap with break ring guarantee seal.

Whether for food such as water, orange juice or vegetable oil. It can all be transported in our jerry can!
