## **Technical information**

Productnumber: 98-8005GB

## **Product description**

Used steel drums with a 2-inch and 3/4-inch opening and a capacity of 210 litres. These drums are suitable for hazardous liquids such as petrol and diesel. Various drain valves can be mounted on the openings. The 3/4-inch opening is usually used for venting. The drums are stackable.

Note! The steel bonded barrel comes in two colours, either red, or blue. The contents of the barrel contain lubricating residues of engine lubricating oil and hydraulic oil.

## **Specifications**

Article arrangement: Used Version: barrel with hole

Food-safe: no

Surface treatment: painted and use damage

Internal length (mm): 560 Internal width (mm): 560 Internal height (mm): 850

Weight (kg) 15.5

Additional specifications: NOT cleaned

Material: steel Colour: blue/red Length (mm): 580 Width (mm): 580 Height (mm): 885 Volume (ltr): 210 Type number: 8005GB

Type: steel drum
