Technical information

Productnumber : 64608081V

Product description

Galvanized metal pallet collar 120x80x80 cm suitable for Euro pallets, mesh 50x50 mm. Equipped with a practical folding window on the long side, making the contents easily accessible. The mesh extension walls can be stacked on pallets up to a stacking load of 2 tons. The advantage compared to gutter boxes is that these mounting walls take up much less space when they are not used or are returned empty. Very suitable for the storage or transport of bulk goods, but can also be used as shop bins (wire baskets) within the retail sector.

Specifications

Article arrangement: New
Version: 1 flap at 1 long side
Walls: mesh 50*50*4 mm
Colour: colorless
Length (mm): 1200
Height (mm): 800
Loading capacity (kg): 1000
Stacking load (kg): 2000
Type number: 64F
EAN Code (Gtin) 8719424104394

Type: foldable construction stackable
Material: steel
Euronorm (mm): 1200 x 800
Surface treatment: galvanized
Width (mm): 800
Useful height (mm): 800
Weight (kg) 27
Options: WITHOUT PALLET
Additional specifications: without pallet
