Technical information

Productnumber : 856831

Product description

Hydraulic lifting table with folding push handle, lifting height 265 to 755 mm. This workshop trolley has a load capacity of 150 kg and can be inflated with the hydraulic pump. The hydraulic cylinders are chrome-plated and the table rolls on 2 braked swivel castors and 2 fixed castors (ø100 mm). The frame is treated with a robust and solid powder coating.

Specifications

Article arrangement: New

Version: push bracket, foldable

Wheels front: polyurethane with brake

Colour: anthracite

Surface treatment: powdercoating

Internal length (mm): 700

Internal width (mm): 450

Loading capacity (kg): 150

Weight (kg) 41

Type number: 85683

Max Height (mm): 755

Type: mobile lifting table

Material: pipe material profile steel

Wheels back: polyurethane

Ral colour: 7016

Length (mm): 930

Width (mm): 450

Height (mm): 755

Application: mobile lifting table

Options: standard fork length

Min Height (mm): 265

EAN Code (Gtin) 8719424022360
