## Technical information Productnumber : 40-11455

## **Product description**

The stable design enables clean and safe storage of hazardous solid goods belonging to packing groups II or III and is also approved for transport according to ADR, RID and IMDG codes. The container (blue), with a capacity of 170 I or 250 I, and lid (coloured) are easy to handle, even when the container is full. The specially shaped lid enables storage in 2-layers. Up to 8 boxes can be safely stacked on a Euro pallet. The beading in the container wall enables emptying with a rotary forklift.

The mobile box is particularly suitable for the following applications:

- collection container for waste and materials such as oil binding agents, paint residues, etc.
- collection and transport container for recycling, cleaning cloths, etc.
- collection container for flammable and polluting substances
