Product description

Used 2 rack roll container is a practical transport solution for various applications. Equipped with 2 removable clamp gates made of galvanized steel, keeping the cargo securely in place during transport. Supplied with 2 nylon straps to keep the goods firmly in place and prevent them from sliding or falling. The rolling cart has a wooden roll bottom with dimensions of 800x720 mm, which provides enough space to load and transport goods efficiently. The wooden roll bottom is sturdy and durable and suitable for carrying heavy loads. To easily move the roll cage, it is equipped with 2 fixed casters and 2 swivel casters made of nylon with a diameter of 100 mm. This ensures maneuverability and smooth mobility even on uneven surfaces. Are you temporarily not using the roll cages? Deal efficiently with your storage space and remove the clamp gates from the roll bottom and make a bundle. In short, an indispensable tool used in various industries such as retail, supermarkets, logistics, distribution and manufacturing.

Specifications

Article arrangement: Used
Version: clamp fences + 2 nylon tensioning belts
Walls: pipe frame
Wheels front: 2 castor wheels nylon, 100 mm
Wheels back: 2 fixed wheels nylon, 100 mm
Surface treatment: galvanised with signs of use
Internal length (mm): 800
Internal width (mm): 680
Internal height (mm): 1700
Type number: 7092GB
EAN Code (Gtin) 8719424231229

Type: 2-sides
Material: steel
Floor: wood
Subgroup: Roll cage used
Colour: colorless
Length (mm): 800
Width (mm): 720
Height (mm): 1900
Weight (kg) 40
Additional specifications: nylon wheels
