Technical information

Productnumber : 1021086S-CE

Product description

If you opt for a certificate, you will have a hoistable and stackable box which is designed and certified for storing and transporting all kinds of loose goods. The box can be transported using a forklift truck but is also certified as a hoisting device which means that it is permitted for the box to be hoisted using a crane.

Please note: Users of the box need to have read and understood the contents of the following manual before they start using the box. Using the box without knowledge of the contents of this manual or disregarding the instructions in this manual could lead to serious personal injury and/or material damage!

See user manual: https://www.kruizinga.com/documents/CE_10-2_UK.pdf

Attention! CE certified items can NOT be returned.

Specifications

Article arrangement: New
Version: 4 sides, with CE certification
Walls: corrugated steel plate
Euronorm (mm): 1000 x 800
Ral colour: 7005
Length (mm): 1000
Width (mm): 800
Height (mm): 670
Insertion height (mm): 100
Loading capacity (kg): 2000
Application: certified for stacking and hoisting
Stacking load (kg): 10000
Type number: 10-2-CE
Additional specifications: price each

Type: fixed construction stacking box
Material: steel
Floor: profiled steel
Colour: grey
Surface treatment: painted
Internal length (mm): 940
Internal width (mm): 740
Internal height (mm): 500
Stackable height (mm): 600
Volume (ltr): 350
Weight (kg) 67
Options: with CE certification
Temperature resistance: -20 / +40°C
EAN Code (Gtin) 8719424149357
