

## **Product description**

Metal storage bin with closed walls and handles on the short side 24 liters hot-dip galvanized. High stability due to carefully welded corners. The stacking edge ensures trouble-free and safe stacking. Very suitable for storage, transport or, for example, roller conveyors. These industrial bins can take a beating.

## Specifications

Article arrangement: New Version: falling grips at the short sides Walls: walls closed Food-safe: no Surface treatment: galvanized Width (mm): 300 Volume (ltr): 24 Type number: 10-7
