

Technical information

Productnumber : 852773

Product description

Mesh wall trolley with one half folding side. Thanks to the mesh construction, there is always a good view of the load. The cabinet trolley has two swivel castors with brakes and two fixed castors that make it very manoeuvrable. Thanks to the side wall that can be opened, the mesh wall platform trolley is easy to load and unload. The powder coating makes the platform trolley scratch resistant.
