Technical information

Productnumber : 8532921

Product description

Workshop trolley with four floors including four storage bins 500x310x200 mm. The container trolley has a load capacity of 60 kg per level and a total load capacity of 250 kg. The powder coating makes this an extremely robust side cart suitable for any workshop or warehouse. The four swivel castors (two of which have brakes) ensure manoeuvrability.
