Technical information

Productnumber : 89-DINPK-E

Product description

Waste bin DIN-PK 50 ltr color orange, for plastic waste.

Outdoor waste bin made of injected HDPE and corrosion-resistant metal parts, making the bin resistant to rotting, frost, heat and many chemical substances. The hood protects against rain and prevents bulky waste from being thrown in. Simple and hygienic emptying by means of triangular lock in the hood. Equipped with a metal plate for wall or pole mounting. The box is supplied including mounting material (2 clamping bands) and one triangular key.

Optionally also available with different print and ashtray. Exclusive concrete post.

Specifications
