Technical information

Productnumber : 44-KP-C40-E

Product description

Connectable plastic corner protector XL for lashing straps up to 70 mm wide.

Simple, but effective. Our corner protectors, protective corners or pallet corners protect the load against cutting into strapping or lashing straps. But also the other way around, the corner protectors prevent damage and cutting of the lashing straps and strapping bands.

Specifications

Article arrangement: New

Version: for ratchet straps up to 70 mm
