## Technical information

**Productnumber : 91-108TA8489**

### Product description

High-quality stainless steel (NOTE! not completely stainless steel) high-lifting pallet truck (scissor lift truck), reliability for the best price. Very suitable for sectors where work is carried out in a hygienic environment. The large steering wheels make the scissor pallet truck extremely easy to turn: maneuver pallets easily and lightly from A to B. Once you have arrived at the workplace, you can inflate the truck to the desired working height in a few pump strokes, lifting height up to 800 mm. The comfortable handle controls the lifting, driving and lowering of the pump truck manually. Load capacity up to 1000 kg. Total height max. 1650 mm, fork length 1200 mm.

### Specifications

Article arrangement: New

Version: lifting height 85-800 mm

Wheels front: polyurethane (steering wheel)

Length (mm): 1650

Width (mm): 560

Application: high lifter

Options: standard fork length

Min Height (mm): 85

EAN Code (Gtin) 8719424027655

Type: high lifter

Material: stainless steel

Wheels back: nylon

Internal length (mm): 1200

Loading capacity (kg): 1000

Weight (kg) 122

Type number: 108-8489

Max Height (mm): 800
