Technical information

Productnumber : 98-7169GB

Product description

Lightweight steel pallet measuring 1190x890x140 mm. The light weight makes the pallet easy to handle and move. The use of lightweight steel makes the pallets strong and also resistant to corrosion, making them suitable for both indoor and outdoor use.

Specifications

Article arrangement: Used

Version: 4-sided

Euronorm (mm): 1200 x 800

Surface treatment: signs of use

Width (mm): 890

Weight (kg) 9

EAN Code (Gtin) 8719424234268

Type: steel pallet

Material: steel

Colour: colorless

Length (mm): 1190

Height (mm): 140

Type number: 7168GB
