Product description

The Master Lock Key Cabinet has an 83mm wide metal body for durability and can accommodate a variety of house keys. Don't hide your keys under the doormat or under a flower pot anymore. The key box is the perfect solution to share access to your keys. The cabinet can be hung permanently on the wall. With a 4-digit free combination selection for keyless convenience and extra security. The door protects combination keys from weather, dirt and dust.

- Medium-sized key storage space accommodates several house keys
- The convenience of a free combination choice for optimal security
- Design can be permanently mounted on the wall (mounting kit included)
- The reinforced door offers better weather resistance and more discretion
