Technical information

Productnumber : 12-5403EURD

Product description

The Master Lock key cabinet has a 106 mm wide metal housing for durability and can hold a variety of house keys, car keys and access cards. Don't hide your keys under the doormat or under a flower pot anymore. The key box is the perfect solution to share access to your keys. The cabinet can be hung permanently on the wall. With a 4-digit free combination selection for keyless convenience and extra security. The door protects combination keys against the weather, dirt and dust.

- The extra-large key storage area offers space for various house keys or access cards
- The convenience of a free choice of combinations for optimal security
- Design can be permanently mounted on the wall (mounting kit included)
- The reinforced door offers better weather resistance and more discretion

Specifications
