Product description

The Master Lock Key Cabinet with Backlit Numbers features a 72mm wide metal body for durability and can hold multiple house keys. No more hiding your keys under the doormat or under a flower pot: The key cabinet is the perfect solution to share access to your keys. The cabinet can be hung permanently on the wall. The large, easy-to-read illuminated dials and the resettable combination combine to provide a secure storage place for spare keys and access cards.

- Medium-sized key storage room accommodates several house keys
- The convenience of a free combination choice for optimal security
- Large, easy to read backlit dials that are more visible, especially in low light conditions
- Easy to replace CR2032 battery
- Design can be permanently mounted on the wall (mounting kit included)
- Reinforced door offers better weather resistance and more discretion
