Product description

The Portable Key Sat with Bluetooth is the perfect solution for shared access to your keys: no more hiding keys under the doormat or a flower pot. This portable design can be used in a variety of places. Open and manage your key cabinet with your smartphone, with temporary or permanent codes. You can share instant access with 15 guests. Fully monitor who visits via the app and notifications. There is a large capacity for key cards or traditional keys. Long-life battery is easy to replace. Durable solid case with coating to protect hardware and door finish. Works with the free app Master Lock Vault Home. With a 2-year limited warranty, a brand you can trust provides peace of mind.

- Open and manage with your smartphone.
- The free Vault Home app for iOS and Android is intended for personal use and is suitable for 40 locks.
- Can also be opened by entering a common code through the keypad.
- Schedule access now or in the future.
- Provide permanent or temporary access.
- Removable bracket for easy relocation and installation.
- Track usage with app.
- Alerts for break-in attempts and low battery.
- Large storage capacity for keys and access passes.
- Easy battery replacement (CR123A pre-installed).
