Technical information

Productnumber : 12-651EURD

Product description

The Master Lock Solid Brass Padlock features a 50mm wide solid brass body for maximum strength, reliability and weather resistance. The 10 mm diameter shackle is 32 mm long and made of hardened steel, making it highly resistant to cutting and sawing. The double locking levers prevent breaking and slamming. The combination code of the lock can be reset yourself without the need for a reset tool.

- Easy (re)set - numerical combination
- 50mm wide solid copper body is strong and weather resistant
- Hardened steel shackle for extra resistance to cutting
- 4-digit self-settable combination offers thousands of different combinations- options
- Turntables on both sides make it easier to choose the combination
- No tool needed for resetting
- Push button to open the lock

Specifications

Article arrangement: New
Version: combination lock
Colour: golden colour
Type number: 651EURD

Type: padlock
Material: steel
Width (mm): 50
EAN Code (Gtin) 8719424174007
