## **Technical information**

Productnumber: 38-BK64-22-E

## **Product description**

Bread bins or bread crates with reinforced bottom and coarse perforation for ventilation and cooling. Very suitable for the storage of bread, croissants, pastries, baked goods and other foodstuffs. Equipped with 2 open handles for optimal handling. The plastic containers are made of high-quality polyethylene, which makes them resistant to low temperatures and therefore easy to freeze.

## **Specifications**
