Technical information

Productnumber : 98-7273GB

Product description

Used plastic stacking bin, measuring 400x300x130 mm. The two open handles on the short side make it convenient to lift and move the bin. The perforated walls and bottom provide good ventilation, protecting stored items from moisture and mould. It also helps drain liquids. The Euronorm of 400x300 makes this stackable bin compatible with various logistics systems and allows for seamless integration into existing storage configurations.

Specifications

Article arrangement: Used
Version: walls + floor perforated
Walls: open handles
Food-safe: no
Colour: black
Length (mm): 400
Width (mm): 300
Height (mm): 130
Volume (ltr): 7.7
Type number: 7273GB

Type: stackable
Material: plastic
Floor: perforated
Euronorm (mm): 400 x 300
Surface treatment: signs of use
Internal length (mm): 375
Internal width (mm): 265
Internal height (mm): 85
Weight (kg) 0.5
