Technical information

Productnumber : 72194406

Product description

This staircase is the most robust professional staircase. Can be accessed on both sides and can therefore be used on both sides. It is very suitable for heavy work at home or in professional projects. Despite the robust design, the stairs are lightweight due to the open step profile. The bracket gives you an extra sense of security. The sturdy stair feet provide the necessary stability. In addition, the anti-slip contour ensures that you do not slip.

Specifications

Article arrangement: New
Version: double-sided, 2x6 steps
Subgroup: Stairs
Width (mm): 560
Depth (mm): 1210
Options: Norm: EN 131
Height when folded (mm): 1500
Horizontal platform (mm): 1400
EAN Code (Gtin) 8719424174922

Type: Altrex industrial stairs
Material: aluminium
Colour: alu silver
Height (mm): 1520
Weight (kg) 10
Type number: 194403
Additional specifications: type use: professional
Work height (mm): 3400
