

Technical information

Productnumber : 38-IB-35281

Product description

Optional fall protection for industrial bins type 38-IBG. Widely used in workshop cabinets and shelving units. The crash bar prevents the magazine bin from coming completely off the shelf, leaving both hands free to reach the contents.

Specifications

Article arrangement: New

Version: fall protection

Colour: colorless

Width (mm): 120

EAN Code (Gtin) 8719424136876

Type: accessories

Material: steel

Surface treatment: galvanized

Type number: 38-IB-VB
