Technical information

Productnumber : 38-IB-35257

Product description

This 9.4 liter shelving unit or parts bin has a load capacity of up to 15 kg and is made of plastic polypropylene and is designed to withstand most oils and greases. The industrial bins offer space for a maximum of 11 dividers, one viewing window and are easily stackable with the same widths. Thanks to the dividers and labels that can be ordered separately, you can easily sort small parts and/or materials in your storage racks, grab stocks, order picking locations, service vehicles or workshop. The shelving unit is supplied as standard with a label holder at the front, but without dividers or labels. See the products below to complete it!

Specifications

Article arrangement: New
