### Product description

Used warehouse trolley, also CC trolley, a versatile and convenient means of transport in various environments. With a wooden base plate, it offers sturdiness and durability, while its two swivel and two fixed-wheel rubber wheels, both 200 mm in diameter, ensure smooth movement and manoeuvrability. Rubber wheels offer good grip and cushioning, making them suitable for use on various floor surfaces. They reduce vibration and noise. Moreover, it is equipped with a shopping basket and a clipboard, both of which are removable. This allows the trolley to be adapted to different tasks. A feature of this warehouse trolley is that several trolleys can be pushed together when not in use. This enables storage and space saving.
