

Technical information

Productnumber : 858582-3D

Product description

Parcel wagon with two end walls, one long side, hinged doors and the ceiling closed. The frame consists of steel treated with a powder coating that makes it robust and scratch-resistant. The warehouse trolley stands on two braked swivel castors and two fixed castors. The bottom consists of wooden plate with a beech decor top layer. The load capacity of the side cart is 600 kg.
