Product description

Shelf trolley with dimensions of 1200x600x1820 mm, two wooden boards of which 1 shelf is adjustable. The adjustable shelf provides flexibility when storing items of different sizes. The four rubber wheels, two of which are swivel castors and two fixed-wheel castors, rubber wheels generally make less noise when rolling. The rubber material absorbs shocks and vibrations while moving the trolley.

Specifications

Article arrangement: Used

Version: 2 closed side walls

Walls: 2 short side closed

Wheels front: 2 fixed wheels solid rubber 200 mm

Wheels back: 2 castor wheels 200 mm. wheel locks

Colour: blue

Length (mm): 1200
