Technical information

Productnumber : 852573

Product description

Railcar with vertical steel walls. The frame of this platform trailer has been treated with a robust powder coating. The loading surface is made of wooden plate with a beech decor top layer. The distance between the vertical bars is approx. 130 mm. With two braked swivels and two fixed castors, the platform cart is extremely manoeuvrable. The load capacity is 600 kg.
