Product description

Table top trolley, measuring 1020x510x840 mm. The wooden tops provide a solid surface to place goods on. The top top has a rim to prevent goods from falling off the trolley during transport. With two fixed castors and two rubber swivel castors with a diameter of 125 mm, the table trolley offers excellent mobility. Rubber want absorb shocks and ensure quieter transport. The swivel castors have brakes, allowing the trolley to be safely held in place when needed.
