Product description

Used warehouse trolley with dimensions of 1340x800x1780 mm. With wooden base plate, offering durability and stability for safe transport of goods. The three mesh walls ensure safe containment of the load, while the open side on one long side provides easy access to the load. The trolley is equipped with two fixed and two swivel rubber wheels, each with a diameter of 200 mm. These rubber wheels ensure smooth and quiet movement of the trolley, even on uneven surfaces. Thanks to the push handle, the trolley is easy to push and steer.
